MY TROOP

Here you will find a complete girl roster along with family contact information and achievements. Click the green arrow next to each name to expand and see each girl's personal information, plus a snapshot of achievements and attendance.

From this tab, you can also email caregivers, download and print a roster with girl achievement and attendance information, renew memberships, and customize the page with a troop photo.

Caregiver users and individually registered girl users will only see their own Girl Scout's information.

EXPLORE

You'll find the exciting options for your troop this year under the Explore tab, including prebuilt tracks based on your troop's Girl Scout program level. You can also browse individual badges and meeting types to build a plan from scratch. Once you've made a choice, your year plan will be automatically populated. Selecting a year plan is required before other features become available, but don't worry—you can always change your plan as you go, one meeting at a time.

From this tab, you can also preview prebuilt tracks of badge and Journey activities, preview individual badge or award requirements, and download or print an overview of each preselected track so you can easily review options with your girls at your first meeting!

Caregiver users and finance users will not see the Explore tab.

YEAR PLAN

From this tab, you can schedule meetings, add or swap out badges or awards, and fine-tune your Girl Scout year. For a walk-through of all the tools at your fingertips, click "Take a Guided Tour" on the Year Plan tab.

From this tab, you can also set meeting dates and locations, add more custom and council activities, preview requirements, and view previous years and important milestones from your local area.

Caregiver users and finance users will see a read-only version of the year plan their troop leader has built in the Volunteer Toolkit.

MEETING PLAN

Here you'll find the tools to make each badge, award, meeting, and activity a success. We've provided meeting prep information, materials lists, and even suggested scripts for many activities.

From this tab, you can also find virtual meeting resources, customize meeting schedules, track attendance, and check off completed badges and awards.

Caregiver users and finance users will see a read-only version of the meeting plan their troop leader has added to their year.

RESOURCES

Under this tab, you'll find answers to your pressing Girl Scout questions—like where to put pins or badges on a uniform, which special awards your girls can earn, or how to lead favorite Girl Scout traditions—along with national and local resources by topic.

From this tab you can also gain access to the Girl Scout shop from each program level, download reference documents for all the awards a Girl Scout can earn, and explore tips for troop leaders and other roles. All user types can see this tab and interact with it in the same way.

FINANCE

From this tab, you can easily share your troop's year-end finance report and other necessary information to wrap up the troop year. You will also add receipts or other attachments to your form and send them directly to your council. You'll be sent a confirmation email with a copy of the report as well.

Caregiver users will see a read-only version of the report once it is submitted.

Finance users will be able to edit and submit this tab for their troop.

Individually registered girl/Juliette users will not see this tab.

SET UP YOUR YEAR PLAN

ADDING MEETINGS AND ACTIVITIES

Add or Change Meetings to Your Year Plan

Girl Scouts are ready for whatever comes their way—and that includes changes in meetings or their year plan. Start by using the green Add badge/Journey link at the top of the year plan or the [Search to Add Meetings](#) link at the bottom of the year plan. Use the search feature or filters to sort through available meeting types and choose which ones to add to your year plan. Meeting titles with numbers at the end are part of a series, and you'll want to add all of these to meet the requirements for the award. Meetings already in your plan will be clearly marked. Once you've made your selections, click ["Add to Year Plan."](#)

The screenshot shows a search interface titled "ADD A PETAL, BADGE OR JOURNEY". It features a search bar with the placeholder text "Search for a badge or journey award by name". Below the search bar is a link "Or Use Filters" with a downward arrow. The section "1. Select your Girl Scout Level(s)" contains seven radio button options: Daisy, Brownie, Junior, Cadette, Senior, Ambassador, and Multi-level. At the bottom, there are two buttons: "CANCEL" and "VIEW LIST".

Edit Meeting Dates and Times

Click the calendar date to the left of each meeting date to change the date or time of that specific meeting. You can also choose to cancel one or more meetings, or to combine meetings. To combine meetings, select the two meetings you'd like to combine, then select the new date on which you would like that meeting to occur. After you've made changes, click ["Save"](#) and your year plan will be updated. If you go back to [Manage Calendar](#), to the right of each meeting date you'll see a green gear icon. This takes you back to the original view of the Meeting Date and Location widget, where you can reset the entire cadence of your meetings, if needed.

The screenshot shows the "DEC 09, 2020 DAISY INTRO MEETING" edit interface. It includes a calendar for December 2020 with the 9th highlighted. The "Start Time" is set to 4:00 PM. There are "CANCEL" and "SAVE" buttons, a "Delete Meeting" link, and a "See more calendar options" link. The interface also shows a list of other meetings on the left side, including "NOV 23 02:30 PM", "DEC 09 04:00 PM", "JAN 06 04:00 PM", and "FEB 03 04:00 PM".

Adding Other Types of Activities

Meetings and badges are only one part of a go-getting Girl Scout's troop year! You can add things like field trips, service projects, or cookie booth sales to your year plan as well. The Volunteer Toolkit connects to your council website and gsEvents so you can browse and add local council events, too. Any activity you add will appear in blue and show up chronologically. At the top of the year plan, click "[Add Activity](#)."

Custom Activity

Add your activity name, date, time, location, and details to your year plan. Remember: caregivers will see this information too, so be sure that event details are clear and any special instructions are included here.

Council Activity

Search or filter through council events and add them to your year plan. This feature does not register you or your group for the event; it only adds the event to your year plan.

VIEW PAST YEAR PLANS

Each July, the Volunteer Toolkit resets and archives your year plan. At that point, you'll no longer be able to make changes to any of your meetings. However, you'll still be able to view the plan through the green Past Years link at the top of your [Year Plan](#) tab. Note that achievement and attendance records do not archive; please download a copy of this information for your records. Caregivers can also download a copy of their own Girl Scout's achievements from the [My Troop](#) tab.

MILESTONES

You might see orange bars across your **Year Plan** tab in chronological order with your other meetings and activities. These are important dates, events, or updates your local Girl Scout staff want you to know about. These may also include links to additional information that relates to the date and title of the milestone.

Manage Communications

Send emails to caregivers to remind them of meetings and keep them up to date on what's happening. Emails are pre-populated with relevant meeting information, but you can customize them based on your needs. You can even attach meeting aids or other relevant documents from your council website at the bottom of the screen before sending.

Attendance and Achievements

Here you can also record attendance and achievements. Use the checkboxes to mark who's at the meeting—and if it's a meeting where you have earned a badge or award, you can mark that, too. You can see the full list of what a girl has earned on the **My Troop** tab, with the option to download the report.

Meeting Aids

These documents, videos, and links are the leg up you need to complete the activities in each meeting! Some are for the adult supporting the meeting, and some are for girls completing the activities. You can find more information on how to use these resources in the Activity Plan.

Agenda

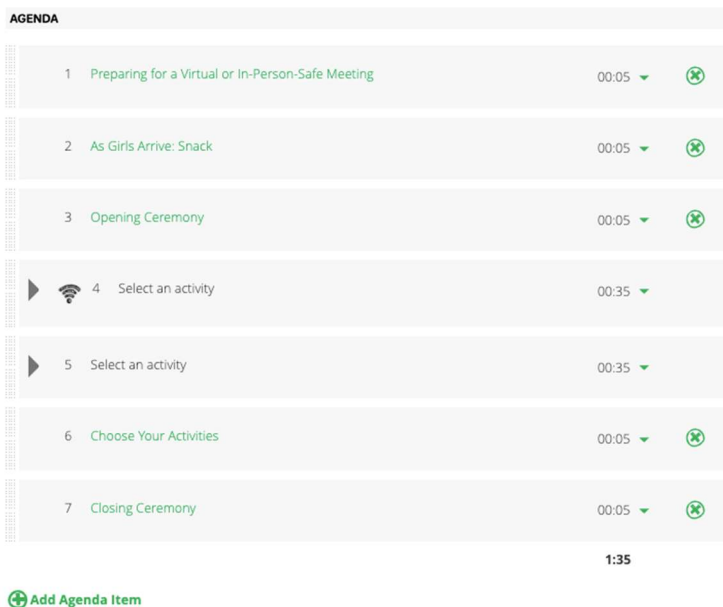

Here you'll find instructions and details for each activity, materials, time it takes to complete, and recommended sequencing. You'll also find opening and closing activities to round out your meeting. There are lots of ways to customize your meeting agenda:

- Drag and drop to reorder in the agenda.
- Use the drop-down arrow to change the amount of time allotted for that activity.
- Delete an activity by clicking the "X" to the right of the activity.

Heads up: if you

accidentally delete a required activity for earning an award, you won't be able to add that activity back without first deleting the meeting.

- Click "Add Agenda Item" at the bottom to add your own activities!

Additional Resources

Take your meeting topic to the next level with these additional resources! These include videos, documents, or suggested events that go beyond the required steps for a badge or award, and they can help your girls do a deeper dive into the content they're most excited about. Here you'll also find links to the Girl Scout Shop to purchase printed award booklets or the award themselves. Finally, you can also save your own links here as well as long as they have a URL. These materials connect to the Manage Communication email templates, so you can share them with families.
